P.L.S., P.P. ("Respondent"). More specifically, Respondent pled guilty to one count of Attempted Criminal Sexual Contact - Fourth Degree. Respondent was sentenced to probation for one (1) year, together with certain restrictions, terms and conditions, including no social networking (i.e. websites) and continued psychological counseling. Further, probation was transferred to Gloucester County.

Thereafter, on or about January 29, 2010, a Judgment of Conviction was entered in the Superior Court of New Jersey, Gloucester County, against Respondent. More specifically, Respondent pled guilty to one count of Attempted Criminal Sexual Contact - Fourth Degree. Respondent was sentenced to probation for three (3) years, together with certain restrictions, terms and conditions, including continued treatment and counseling.

As a result of the foregoing, the Boards have determined that Respondent's criminal convictions provide grounds to take disciplinary action against his licenses to practice professional engineering, professional land surveying and professional planning pursuant to N.J.S.A. 45:1-21(f).

IT NOW APPEARING that the parties wish to resolve this matter without recourse to formal proceedings; and that the Respondent hereby waives any right to a hearing in this matter; and the Board finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

IT IS ON THIS 25th day of MARCH, 2011, ORDERED AND

AGREED AS FOLLOWS:

1. Respondent's licenses to practice professional engineering, professional land surveying and professional planning in the State of New Jersey shall be, and hereby is, SUSPENDED for a period of three (3) years retroactive to January 29, 2010, to be stayed in its entirety and served as a period of probation as set forth hereafter.

2. The probationary period shall commence retroactive to and effective on January 29, 2010 and continue for three (3) years or until successful termination of criminal probation, whichever is later. Prior to termination of the probationary period, Respondent shall be required to appear before the Board, or Committee thereof, to demonstrate that he has fully complied with all the terms of his criminal probation and that his criminal probation has terminated. During the probationary period, Respondent agrees that in the event he violates any provision of this Consent Order or his criminal probation, or is determined to be in violation of any statute and/or regulation which the Board administers, then the period of stayed suspension provided above shall be activated and Respondent's licenses to practice professional engineering, professional land surveying and professional planning in the State of New Jersey shall be automatically suspended without a hearing, in addition to any other limitations or restrictions as the Board

deems appropriate. Additionally, Respondent has an affirmative duty to immediately inform the Board in writing of any potential or actual violations. Within five (5) days of notification of the suspension, Respondent may seek a hearing by written application to the Board limited to the sole issue of whether a violation of this Consent Order has occurred.

3. During the probationary period, but no later than six (6) months after the filing date of this Consent Order, Respondent shall provide proof of successful completion, to the Board's satisfaction, of eight (8) hours of continuing education in the area of ethics which shall be pre-approved by the Board. Failure to successfully complete this requirement shall constitute a violation of the probationary period.

4. Upon signing this Consent Order, Respondent shall immediately pay investigative costs of Nine Hundred Twenty Seven Dollars and 44/100 (\$927.44). Payment shall be made by certified check or money order payable to the "State of New Jersey" and forwarded to the State Board of Professional Engineers & Land Surveyors, 124 Halsey Street, 3rd Floor, Newark, New Jersey 07102.
